TITLE OF ITEM

Eagle Scout - Wasserman Park Signage Project

DESCRIPTION OF ITEM

Eagle Scout Candidate Ian Finken has proposed a Park Signage Project at Wasserman Park. He would like to redo the signage within Wasserman Park. Signage in the park was last done about 10 years ago and many of them are in rough shape or missing altogether. This project install 8 new navigational signs throughout the park. They would be the same rustic style as currently exists in the park (Wooden Post with wood navigational signs painted in yellow). The Parks & Recreation Committee is recommending this project for approval.

SUBJECT: Eagle Scout Candidate Project Proposal

Hi Eileen,

On Wednesday, November 12th, Eagle Scout Candidate Ian Finken made a presentation to the Parks & Recreation Committee on the Eagle Scout Project that he would like to complete.

For his project, Ian is proposing to navigational signage within Wasserman Park. Signage in the park was last done about 10 years ago and many of them are in rough shape. His project would put 8 navigational signs throughout the park (which includes replacing the old ones. They would be the same rustic style as currently exists in the park (Wooden Post with wood navigational signs painted in yellow).

The Parks & Recreation Committee feels that his project would be a valuable addition and is recommending it to the Town Council for approval.
